

Linking Your Single Login Profile

If you have more than one eVoucher account because you perform CJA-related services in more than one court, or if you have separate attorney and expert user logins in the same court, you must link those accounts to your Single Login Profile (SLP) to access them.

Once the accounts are linked, you can switch between accounts from within eVoucher using the **Accounts** menu. You are no longer required to log in and out of each account or keep track of separate usernames and passwords for each account. Note that one account must be selected as your default court. Each time you log in to eVoucher, you will be taken to the Home page for your default court.

Step 1

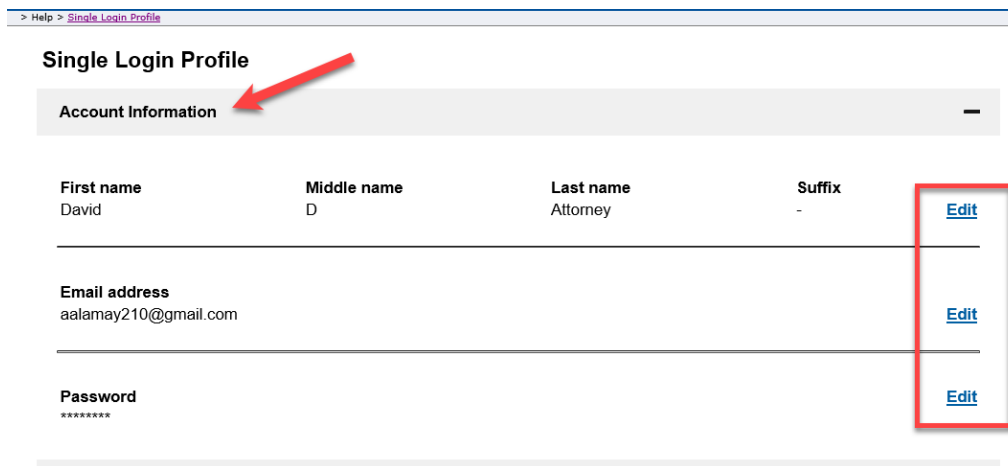

Click the Help menu or the profile icon, and then click the **Single Login Profile** link.

Step 2

The Account Information section is automatically displayed. Review your account information to ensure it is correct or to make any modifications. Modifications made to your Single Login Profile (SLP) do not change information in your court account profiles.

To modify each section, click **Edit**.

Step 3

Click the +/- icon to expand the Security Questions section. You can change your security questions and/or update your answers for each question.

Step 4

Click the +/- icon to expand the Linked eVoucher Accounts section and view any accounts that are currently linked. If this is your first time in the system, your only linked account will be the one with the court you just logged in as. This is your default account. Note that while you can change your default court from the Linked eVoucher Accounts section, you will always initially be logged in through your default account.

Linked eVoucher Accounts

Multiple eVoucher accounts can be linked to a Single Login Profile. If more than one account is linked, select a default eVoucher account. Use the **Accounts** menu to switch between accounts.
